

Results about the referendum on 4 proposed amendments.

At the time of vote (November 2015) the IBF Standing Committee was composed by 100 IBF members.

62 people voted yes to the 4 amendments. Therefore the Constitution will be changed according the referendum results and published soon on the web site of the IBF internationalbuffalofed.org .

1. From now each IBF Delegate will vote for the IBF President, instead of each National Association.
2. Nominations for the candidacy to the President will be submitted to the Secretariat instead of to the Executive Council.
3. Criteria of membership and fees will be established by the General Assembly instead of the Executive Council.
4. The IBF Scientific Committee is established in the permanent Headquarters in Rome to organize scientific activities, as training courses, international projects, workshop and so on. Each country can indicate his candidate for the Scientific Committee. At the moment the members of Scientific Committee are: Prof. Antonio Borghese (Italy), Prof. Yang Bingzhuang (China), Prof. Livia Vidu (Romania), Prof. Suhubdy (Indonesia), Dr. Leela Rastogi (Trinidad and Tobago).
