

GB Genetics COFA srl
Via Orezola snc
26048 Sospiro, Cremona (ITALY)

Cremona, 06/10/2022

Sirs:

International Buffalo Federation (IBF)

Via Salary 31 - 00015

Monterotondo, Rome, Italy

Professor Dr. Antonio Borghese - General Secretary IBF.

Respected Professor Borghese and other members of IBF, Receive cordial greetings from myself Giovanni Binotti, located in Cremona, Italy.

GB Genetics COFA srl is a Artificial insemination Center with more than 37 years in the production of bufalo and bovine semen, it also has extensive worldwide experience.

Based on the above, we endorse the application of Venezuela for hosting the 13th World Buffalo Congress in 2023, by the the Venezuelan Buffalo's Breeders Association (CRIABUFALOS).

Undoubtedly, this event will strengthen the academy and the buffalo agro-producing sector.

Without more for the moment, and in advance thanks for the receptivity to this request.

Sincerely.

Geom. Giovanni Binotti
